Dear Parent(s)/Guardian(s):

Within the next week, your son or daughter will begin reading the novel, *The Adoration of Jenna Fox*. This novel has been an essential text in the Eighth Grade Language Arts Curriculum for several years. The main character Jenna goes through a traumatic event which requires her to re-learn language and social skills. As a result, she uses a provocative word out of context during a conversation with another character. If you should have any questions/concerns, please feel free to contact Mr. Jeff Podolski, Assistant Principal of Curriculum and Instruction.

Sincerely,

Fiona Paterna
